

THE DIRECTOR OF
CENTRAL INTELLIGENCE

14 February 1986

National Intelligence Council

NOTE TO: Bob Gates, C/NIC

SUBJECT: Membership in the Council on Foreign
Relations

Bob,

I would like to request your assistance in nominating me for membership in the Washington chapter of the Council on Foreign Relations. I have been active in numerous New York sessions, but have not been included in any Washington meetings and understand that it requires nomination by a member--such as you--to be accepted. I hope this would not represent any particular paper work on your part.

Thanks.
